

How Send-Out-Cards works

Below is an email I received this morning on a pending birthday.

Sendoutcards.com: New Reminder

support@sendoutcards.com

To: jack@edirecthomeloans.com

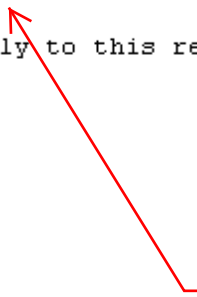

You have a new reminder!

Description: Marc Miles (B) 09-19

Click on the link below to view it.

http://www.sendoutcards.com/cgi-bin/trnuser.pl?reminder_redirect:::286430:

Please don't reply to this reminder as it is an automated email.

Simply click on this link and it automatically logs you into sendoutcards.com and brings you to the Birthday cards.

Welcome, Jack Kammer (ID: 28321)

Front:

There are 100's and 100's of birthday cards all categorized to the left.

The screenshot displays the 'anewclientaday' website's birthday card editor. At the top, a small thumbnail of the card is shown. Below it are two preview panels: 'Inside Left Preview' and 'Inside Right Preview'. The 'Inside Left Preview' shows a photo of a couple in front of a building, the text 'Happy Birthday from Noelle and Tessa...', and a handwritten signature. The 'Inside Right Preview' shows the text 'HAPPY BIRTHDAY!' in large font, with '(In large print just for you)' below it. Below the previews are two edit panels: 'Edit Inside Left' and 'Edit Inside Right'. The 'Edit Inside Left' panel has a font dropdown menu set to 'Jack', a text area containing 'Happy Birthday from Jack, Dawn Noelle and Tessa.....', and an 'Add/Edit Signatures' button. The 'Edit Inside Right' panel has an 'Overwrite Default Text' button. At the bottom left, there is an 'Images:' label with a red arrow pointing to the left. Red callout boxes with arrows provide the following annotations: 'I clicked on this card and it brought me to this page.' (pointing to the top thumbnail), 'I picked my personal font (hand writing).' (pointing to the 'Jack' font dropdown), 'Picked one of four signatures.' (pointing to the 'Add/Edit Signatures' button), and 'I added a photo' (pointing to the 'Images:' label).
